

MIDTOWN PONCE SECURITY ALLIANCE

Street Criminal #008: Steven Green

For quite some time, Steven Green has frequented our neighborhood to pursue prostitution. He first came under our radar in the Spring of 2007 because of his blatant criminal and nuisance behavior. To date he has not responded to neighborhood pressure to discontinue using our neighborhood for his illegal purposes. He is also quite elusive - he often disappears in between houses and in the alleyways when the patrol or neighborhood watch comes around, only to resurface a few minutes later. He is truly a difficult individual to get rid of.

It appears that he pursues prostitution to support a drug habit, as reflected by needle marks on his arms. He was arrested twice during the same sting in 2007.

Several weeks ago he fled from an MPSA Patrol officer, and then assaulted him before escaping. A warrant was immediately issued for his arrest, and he was captured several days later with an added charge of drug possession (cocaine). He was allowed to sign his own bond and resume his illegal activity in very short order. He skipped a court hearing, but was eventually arrested again and kept in jail.

On November 11th, 2008, 6 Midtowners attended the hearing for Steven Green, one of our most problematic transvestite prostitutes. He was charged with assaulting an officer and drug offenses. Sharla Jackson, our community prosecutor, asked for 5 years probation and banishment from Midtown. The defense attorney asked for 1 year probation. An MPSA Board member was given an opportunity to speak on behalf of the Midtown community about Green's detrimental impact on the neighborhood. The judge ruled in favor of our community prosecutor. The judge defined Midtown as the geographic area between North Highland, Baker Street, 75/85, and 17th Street.

Please familiarize yourself with pictures on this flyer. This one ranks very high on our unwanted list, and we want to take immediate measures if we even think he has been in our neighborhood...

THE MIDTOWN COMMUNITY SEES RED WITH THIS STREET CRIMINAL. WE WANT HIM AND HIS FELLOW STREET CRIMINALS OUT OF THE MIDTOWN EXPERIENCE...
